STANDARD TERMS

By entering into this agreement, the parties accept the following terms.

Payment

The rental charge and deposit are payable in advance. The deposit is a partial guarantee against liable damages / late return and released/refunded upon timely and complete return of the rented property in the same condition as at the start of rental.

Liability

The lessee is liable for damages in excess of normal wear and tear of the rented property in the rental period.

The lessee is also liable for loss or theft, and the bicycle must be properly locked and secured when not in use or in immediate view. The lock must be used to secure both the frame and one of the wheels to a bike stand, railing or similar fixed object.

Travel or home contents insurance policies often include such losses.

Any loss or damage must be immediately reported to the lessor.
